Church Work Bee

It's almost that time of year for spring cleaning! Just as we need to work to keep our own houses in good shape, we need to do our best to keep God's house looking good. There's plenty to do both indoors and outdoors - we especially will need help preparing our grounds for new landscaping. Please help us on Sunday, March 8, starting at 2p as we work to make our church sparkle.

Many hands make light work!

Ladies' Luncheon

All ladies are invited to come to the Olive Garden on Tuesday, March 10 at 11a. This is a monthly event, so plan on joining us every second Tuesday of the month. You will definitely want to be part of the fellowship and fun!

Current Sermon Series

Pastor Tyler is presenting a six-part sermon series about the glory that is found in the process of growth and transformation which focuses on our church's commitment to growing young. We've learned about Keychain Leadership (empowering young people and sharing the keys with them), empathizing with today's young people (don't judge or criticize, but step into their shoes), and what it means to Jesus' message seriously. Today we're learning about the importance of providing a warm community.

Graduation Celebration Potluck

Every year our church family loves to celebrate our graduates. It doesn't matter if you're graduating from elementary school, high school, college, or post-graduate school, we want to celebrate your achievement! So, if you are graduating this spring, please let Joyce Western know as she is making plans for a special Sabbath potluck lunch.

Almond Blossom Brunch Potluck

Last Sunday, about 100 people gathered at the Barenchi's home for our annual megapotluck! There was everything from eggs to tater tots to scrambled tofu to donuts to fruit salad. Games were played on the lawn. And people took beautiful pictures amongst the Almond blossoms.
