## **This Sabbath**

We are continuing a series that takes a look at how faith is displayed in four different Bible stories. We might think that faith looks the same in every circumstance, but when we read the Bible we actually find that faith plays out in a variety of ways in real life. Please plan to join us for this eye-opening and challenging series. You are welcome to worship with us in person or via our live stream at 11a!

Join us as we explore how faith can be confusing and difficult - but always worth it!

## Project Revive

A recent estimate to paint our church facility revealed a dry rot problem that threatens the structural integrity of our building. Since we don't want our church to collapse, we have launched Project Revive to help cover the repair costs. Our goal is to raise \$20,000 by the end of the year. For more information please visit [bit.ly/3ge7spi](http://bit.ly/3ge7spi). Thank you in advance for supporting this important project through your finances and prayers!

## Leoni Meadows Campground

The Caldor Fire swept through the Leoni Meadows area two days ago, but thanks to diligent preparation by the camp staff and some apparent Divine help, most of the buildings survived the fire! Please continue to pray for those who lost homes and other possessions!

## Tithe and Offerings

We are over \$15,000 behind in our budget for 2021. We understand that these are still difficult times financially for many of us, but if you are able please remember your local church by giving online ([bit.ly/39QVJrg](http://bit.ly/39QVJrg)), using the Adventist Giving app, or mailing your gifts - marking your intent for each gift clearly.
