School Clean Up

We need your help on August 8 at 9a to help get the school ready for the 2021-2022 school year! The summer has gone by very quickly and our school will soon be bustling with activity. But, there is a lot that needs to be done to be ready, especially since we didn't have a work bee last year. Lunch will be provided! Note: Masks are required while working indoors and optional/encouraged for working outdoors.

Many hands make light work, so please come and help us get the school prepared!

Activities Are Resuming

After taking July off, praying meeting is starting again on Wednesdays at 6:30p. Also, we'll be having our monthly online game night on August 28. Outdoor vespers are still on hold for now.

Yard Sale Blowout

Stop by the gym on August 5-6 to find some hidden treasures and to help our school (both financially and by helping clear out the gym)!

This Sabbath

We will be having our first in-person communion service in over 18 months! It will be modified: the emblems are prepackaged, and there will be no foot-washing service. But, we hope that you will join us for this special Sabbath of reflecting on the cross.

Tithe and Offerings

We are about one and half months behind in our church budget for 2021. We understand that these are still difficult times financially for many of us, but if you are able please remember your local church by giving online (bit.ly/39QVJrg), using the Adventist Giving app, or mailing your gifts - marking your intent for each gift clearly.

VBS Outdoor Sabbath

This past Sabbath we met outside under several canopies for our traditional capstone to our weeklong VBS program. While it was warm, we enjoyed getting a taste of what the kids enjoyed during VBS. Plus we had some tasty (prepackaged) food as an ending treat!
